

# GIOVANNI VERNIA

Before being a showman, Giovanni Vernia graduated with honors in electronic engineering and worked for 10 years as country manager for enterprise, US-based, companies.

During these years he has been in constant contact with american and european cultures and started to be fascinated by the huge and hilarious differences with italian lifestyle.

He then achieved a huge popularity in Italy through the comic prime time television show "Zelig" and since 2008 he started to be a professional entertainer.
